Champaign County CHIP:
Striving to make Champaign
County the Healthiest County in Ohio*

The vision of the Champaign County Early Childhood Coordinating Committee (ECCC) is that expectant parents are prepared for newborns, infants and toddlers to thrive and that all children are ready for school success.

The mission of the Champaign County Early Childhood Coordinating Committee (ECCC) is to develop, streamline and coordinate early childhood systems of services for Champaign County families in an effort to promote wellness and healthy development of young children.

Committee Goal: Every child in Champaign County will be given the opportunity to thrive and be socially/emotionally ready to learn by school age as evidenced by universal screening efforts.

TOPIC	DISCUSSION	Outcome/Next Steps/Accountable Person
Meeting schedule	<ul style="list-style-type: none"> Missy explained to the group that the meeting schedule needed to change to line up with all the other county coalitions- CHIP 	ECCC group received 20148 ECCC meeting schedule- will begin meeting every month- from 12-1:30.
Goals/strategic plan	<ul style="list-style-type: none"> Missy informed the group that a strategic plan would need to be in place in order to accomplish the goals the group wants to complete. 	Stacey Logwood presented to the group-per Missy to explain to the group what the difference was between a strategic plana and an action plan. Group also worked on how to write a strategic plan and used examples on how to effectively write/implement good strategies. Will begin writing strategic plan for ECCC at April's meeting to address the social-emotional deficits in our county kindergarteners.
Data Collected	<ul style="list-style-type: none"> Missy presented to the group that Triad and Graham were on board to submit to ECCC any data needed from past and present kindergartener screenings. Mercy Health and Literacy Foundation also will be providing data as well. 	Need to work on gathering data from the other county school districts including any data pertinent from the county preschools.
